

# SUMMER CAMP 2018

Every child can benefit from Summer Camp experience. Some benefits include becoming more confident, developing Independence, making new friends and trying new things to create wonderful summer memories. LCP will be running 4 Summer Camps this year.

## \*DAY CAMP (6-11 years)

WHERE : Caldwell Public School  
TIME : 9am-3pm

## \*YOUTH CAMP (12-16)

WHERE : Carleton Place High School  
TIME : 9am-3pm

We will be offering both a Day Camp and Youth Camp which provides the opportunity to participate in a variety of cooperative games & activities in a fun and safe environment! Our counselors will lead the children/youth through structured activities including swimming, arts and crafts, active games, outdoor play, weekly trips and more! Participants will enjoy meeting new friends while learning how to play a variety of games. Our camps have a low camper to staff ratio. This allows educational and recreational programming which promote social, emotional and physical growth.

July 9th - August 17, 2018

## CAMP AU-SOME (AGES 8-15)

**CAMP AU-SOME** is a specialized camp for children diagnosed with Autism Spectrum Disorder. This summer camp focuses on classroom based learning through recreation. This camp is structured to include fine motor/ learning centers in the morning and recreation based activities in the afternoon.

The Autism Summer camp will be run out of Caldwell Public School in Carleton Place. This camp provides low camper to staff ratio.

## \*KIDS JUST LIKE ME
